Office Polices:

Please read the following information carefully. You the patient are responsible for knowing the information below. ***Please initial that you understand and agree to each of the following:***

Insurance:

Our office will gladly work with you to get the maximum benefit available to you. We can make no guarantee of any estimated coverage. The policy is an agreement between you and your insurance company and, therefore, we are not responsible for problems or discrepancies. Ultimately, this must be handled by you, the insured, but we will be happy to assist you in any way that we can.

_____ I understand my copay is due at the time of service. Please note we are often considered a specialist therefore the specialist copay may apply.

_____ I understand that if Nova Vision Care, P.L.L. is a provider for my insurance, they will bill my insurance for covered services after my visit. I understand that I am responsible for all copays, deductible, coinsurance, and noncovered services.

_____ I understand that if Nova Vision Care, P.L.L. is not a provider for my insurance or I am "Self-Pay" that payment is expected in full at the time of service.

_____ I understand that I am responsible for the balance on my account for any professional services rendered.

Additional Eye Health Screening Options

Digital Retinal Photography Screening ($35)

Retinal photos are highly recommended yearly by the doctors at Nova Vision Care for patients of all ages. These photos can help us monitor diabetes, macular degeneration, glaucoma, melanoma, injuries to the eyes and many more. With the advanced technology of our Optos photo machine we are able to capture a 200 degree image of your retina. Please know you will be asked about this screening option during your preliminary testing today.
